

# Own a Piece of Cry Baby Hill!

The Riverview Neighborhood Association is transforming the little triangle of undeveloped land at the bottom of historic Cry Baby Hill into a beautiful public plaza!

The space will feature a rain water garden with areas for seating covered by newly planted trees, and the walkways will be made of one-foot-square permeable pavers that can be personalized as shown in the photo at the bottom of the page.

Claim a piece of the park for your family or business and help our neighborhood at the same time!

This project has the support of many generous organizations. But our work is not done! The Riverview Neighborhood needs your support to make this project happen. In addition to creating a beautiful public space, this project compliments the world-famous Cry Baby Hill where Tulsa Tough bike races take place every year inside our neighborhood.

— **\$150 - Families or Individuals**, personalized with text.  
Enter message below, one character per box:

**\$250 - Local Businesses**, with company name or logo.
